

An aerial photograph of Miami, Florida, taken during the 'golden hour' of sunset. The image captures the city's skyline, including numerous skyscrapers and modern buildings, reflected in the water. A large bridge spans the water, and a marina filled with boats is visible. In the foreground, a large, modern, circular building with a blue roof is prominent. The sky is a mix of deep blue and orange, with scattered white clouds. The overall scene is vibrant and dynamic, showcasing the city's urban landscape and waterfront.

‘Miami

AI Beyond Summit’

A Global Gathering in the
AI Capital of Tomorrow

(Miami AIBS)

**Igniting Regional AI-Driven Innovation,
Empowering The Global Intelligent Ecosystem
Accelerating Growth Across Connections**

Early 2026 Perez Museum | Miami – *The Gateway for AI in the Americas*

Emerge as the AI Gateway to the Americas

Showcasing:

- Deployment beyond conversation (the regional AI strategy)
- Driving Collaborative Development
- Hands-on workshops & strategic transcontinental networking
- Showcase of breakthrough AI tech already powering transformation

The Sunshine State Becomes the Beacon for Pan-Hemispheric AI

Drive Miami

Beyond Talks
